

**GOVERNMENT OF SIKKIM
STATE PRISONS, RONGYEK**

Memo no. GOS/Prisons/698

Dated 13.03.2008

OFFICE ORDER

One of the major security and threat perception and prison indiscipline faced by the Prison administration all over has been the menace created by constant use of mobile phones in the prison complex. To overcome such situation and in consonance with the objectives of maintaining proper security and discipline, it is felt necessary to regulate and streamline the judicious use of mobile phones within the Prison complex. As such, the following instructions are hereby issued which are in accordance with the existing Prison Act, 2007 read with Model Prison manual and guidelines which henceforth, shall be strictly adhered to and complied with, by all concerned: -

1. Entry of mobile phones beyond the Administrative Office building is completely banned for all Officers and personnel (Day and Night) including the undersigned.
2. The duty personnel / staff bringing their mobile phones inside the Prison complex shall deposit their mobile phones / gadgets in the Jailor's office before proceeding to their duty posts (beyond the Administrative Office building).
3. For visitors, bringing of mobile phones into the Prison complex beyond the main gate onwards is completely banned. All such gadgets / phones shall be deposited at the main gate with the SAP Sentry on duty.

Further, incase of any violation of the above instructions by any Prison Officer, personnel and staff, strict departmental action would be initiated against the individual accordingly.
